hear ye:

Winter . . . supposedly a cold and dormant period in any year; that season, 1963, we saw it differently. It was days of being squired, studying, and practicing, dreaming of nights and knighthood . . . slaying dragons of Algebra and English through good, but sometimes weary days and Friday night battling opposing armies outside our kingdom but within our league . . . days for fair maidens and ladies to wait, wondering and dreaming of dancing knights and the coronation of queens.

Lennox had this season at its best; and working as both a news recorder and a memory book, the Troubadour, we bring to you . . . hoping we've recorded to its fullest "Ye old winter of 63".

The Knights of winter having passed and the sparkling freshness of a new semester coming into view, the Troubadour incorporates a vibrating blue and gold attitude toward the graduating year 1964. An exciting time for all seniors, with the coming of graduation, and reviewing of years gone by; all these accumulate in the freshness of spring. The juniors finally realize, "We've got one more year we'll make it our best yet." The Freshmen and Sophmores look forward to all the joys of a new and more provocative year.

Thank-you Lennox High for giving us memories. Now the Troubadour will bring you its *"Knights and Days."*

ye knight errant

We are proud this year to dedicate the 1964 Troubadour to Mr. Phil Kovinick, head of the Social Studies Department. Through his interests in L.H.S. for the last seven years Mr. Kovinick has become a well known figure on campus.

Along with sponsoring the senior class this past year he has taken an active part and has compelled many of his students to attend the meetings of the "Breakfast Club."

While attending Chico State College he was president of Kappa Delta Pi plus an outstanding athlete in Football and Basketball. He graduated with Magna-Cum-Laude honors.

The Troubadour Staff takes great pleasure in dedicating this 1964 edition to you, Mr. Phil Kovinick in appreciation of the many things you have done for Lennox High and its students.

KING'S LEGEND

As you hold this Troubadour in your hands, the class of 1964 draws to a close. Let's stop and turn the hands of time back to September 14, 1960 when we were "Incoming Freshmen." Football practice had already begun and the "B" Football team including many freshmen were working hard, but their hard work payed off and they received the 1960 "B" Football Championship Trophy. We have had many hard working athletes representing our class in all sports. As Sophomores we chose our class rings and began to think about coming events. The highlight of our Junior year was the Jr.-Sr. Prom, held on March 15, at the Rivera Country Club. We danced through "Stardust" to the music of the Esquires. Unbelieveable as it seems, we finally became Seniors. Already a half year has gone by in which we have had a successful Christmas Dance, "Starlight 'n Snowflakes." Looking at the great event yet to come is the Jr.-Sr. Prom to be held at the Bel-Air Bay Club, from where we will take off to the bright lights of Sunset Blvd. We purchased our annual, had our Senior pictures taken and chose our class name—Les Guierres. Graduation cards and announcements have been ordered, now let's see . . . there's Baccalaurate, Graduation, and the Palladium Party where we will see many a friend for the last time. These have been four long, hard, struggling years, but prosperous and memorable nevertheless. Good Luck to everyone.

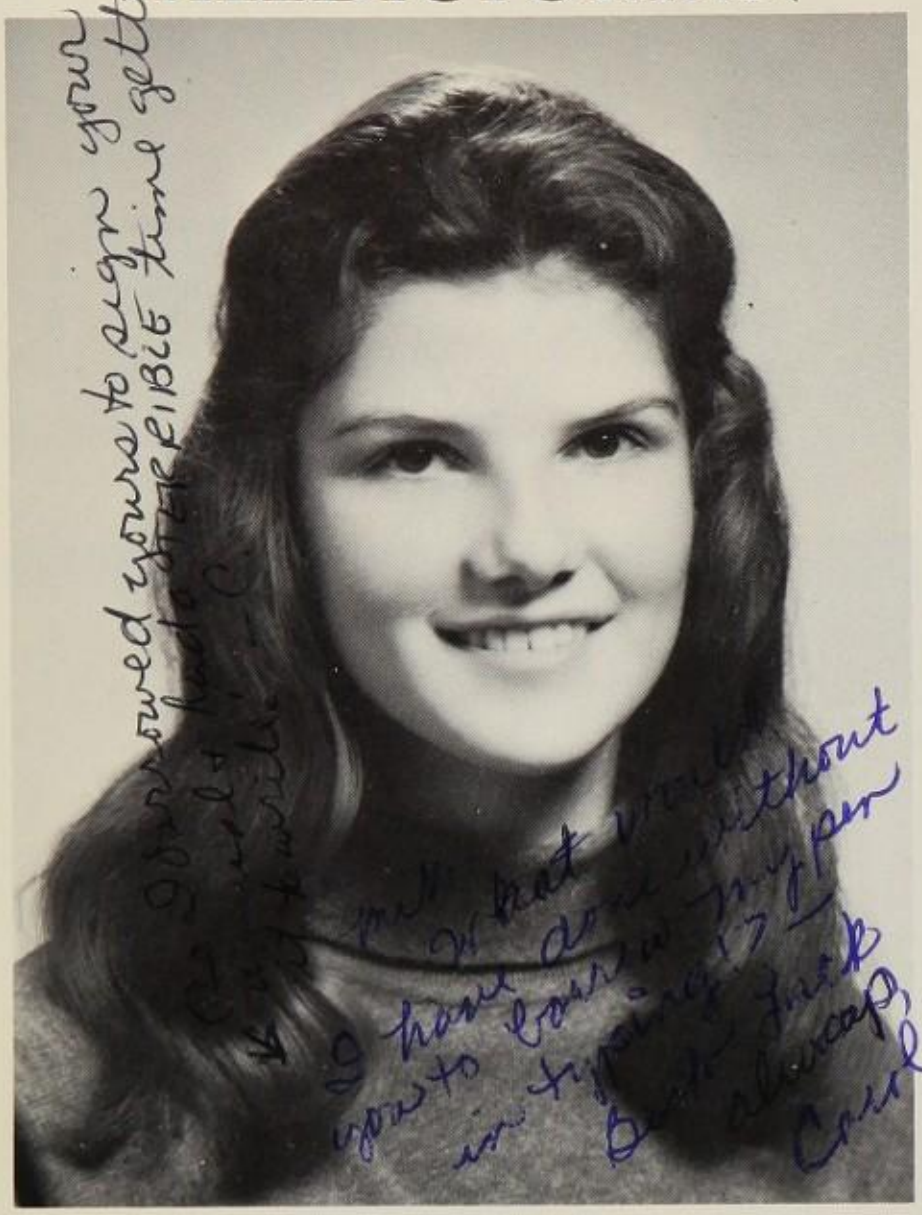
VALEDICTORIAN



Carol Marie Doles

Lennox High School recognizes outstanding achievement in scholarship which is the primary goal of a high school education. The Valedictorian is the student who ranks first in scholarship and gives the farewell address at Graduation. The Troubadour staff presents the Valedictorian for 1964, Carol Marie Doles.

Carol was born in Lancaster, Pennsylvania on November 17, 1946 and attended Bainbridge Elementary School, Sun Valley and Pacoima Jr. High Schools, and Lennox High School. After graduation Carol plans to attend U.S.C. where she will major in education.

Carol was an active member in the following clubs: Girl's Athletic Association, California Scholarship Federation and served as president in Lancer Covers. She also participated in student government by serving in the Senate and attended class cabinet meetings.

Carol's musical inclinations included Girl's Glee Club and Acapella Choir. We are proud to be represented by such an outstanding person.

SALUTATORIAN

Johanna B. Straky

With pleasure, Lennox High School presents the Salutatorian of 1964, the student who through her high school years has maintained the second highest scholastic rating in the Senior Class. Johanna spends a portion of her time outside of school working in a German Youth group and Choir. Lennox is proud to honor you Johanna B. Strakey, Salutatorian.

MAN AND WOMAN OF THE YEAR

The Janssen Family

The Trulove Family

I shall never forget July 15, 1963, the day I received the official notice that I was to spend the next school year at Lennox High.

Those twenty days preceding my departure were very occupied. I was busy getting ready and saying "tot siens" to friends and relatives. Many conflicting thoughts passed my mind as I boarded the ship "Seven Seas," following August 5. It was a world of its own as we traveled across the Atlantic to America.

The flight from New York to Los Angeles was exciting, but at the same time I was apprehensive . . .

In my American family I have had the experience of having two brothers and a sister instead of three brothers.

America was much different than I expected. It was better. I was surprised to find so much humanity in a country which I believed was so materialistic.

It was a real pleasure for me to go to Lennox High. I'll never be able to express in words how much I have appreciated being a Lancer.

The idea of going back . . . ?
I love America, but I am a Belgian.

This year the Juniors have demonstrated themselves to be by far the most active and spirited class at Lennox High School. This may be demonstrated by the fact that the Juniors walked away with all the Spring Sports Week awards, including; "most colorful class" Tug-of-war, and on hat day they claimed the smallest and largest hat award along with the most unusual and cleverest hat awards. The only thing the Juniors did not win was the Pie eating Contest and they gave the Seniors a close race even for that. Our Juniors are an asset to our school and are the example set for the underclassmen to follow. Keep up the good work Juniors, because your best year is yet to come.

Boy and Girl State Representatives

Boy and Girl State is held annually at Sacramento, California, during summer vacation. At this time the delegates from all over the state assemble to learn some of the intricacies of government, both at the state and local levels. This year as Lennox High School's Representatives, the Juniors have selected Rachael Haim and Ed Connelly.

Ed has been an active man on the Lennox High Campus. He has demonstrated through the activities and outstanding Scholastic record that he has a definite interest and loyalty to Lennox High. Ed has been President and vice-president of his class, a member of the California Scholarship Federation and Pascal's Triangle; along with all the unsung work that Ed diligently helps with.

Rachel Haim has been very active concerning on campus activities. She has participated in student government as a member of the House of Representatives. She was Sophomore class secretary-treasurer. She also holds membership in the California Scholarship Federation and Pascal's Triangle. Rachel is a positive asset to her class and demonstrates this by her conscientiousness towards Lennox High School.

We would like to congratulate both Ed and Rachel on their selection and encourage them to participate in Lennox's Activities in the future. We need great leaders like them. Again, congratulations Ed and Rachel.

This year's Student Council had the task of taking over a new form of government. With a student body decision, Lennox High School changed from a bicameral to a unicameral system. The first semester council undertook the Homecoming activities and planned a very successful Charities Week during the winter semester. Student Council continued with constitutional amendments, changes of the Student Hand-book, and election of Spring officers.

The second semester progressed with Spring Sports Week and a Pioneer League Forum held at Lennox High School. Activities that followed were the Suggestion Box, 8th Grade Orientation, Student Accreditation, and American Field Service Week.

Lovely girls in beautiful gowns, handsome boys in sophisticated dinner jackets, dreamy music, soft lights, rolling surf; This was the scene at the beautiful Bel Air Bay Club for the 1963 - 64 Junior-Senior Prom held on April 11. With clouds under our feet, we glided across the floor to the music of the fabulous Don Heath band. A wonderful evening was had by all in attendance.

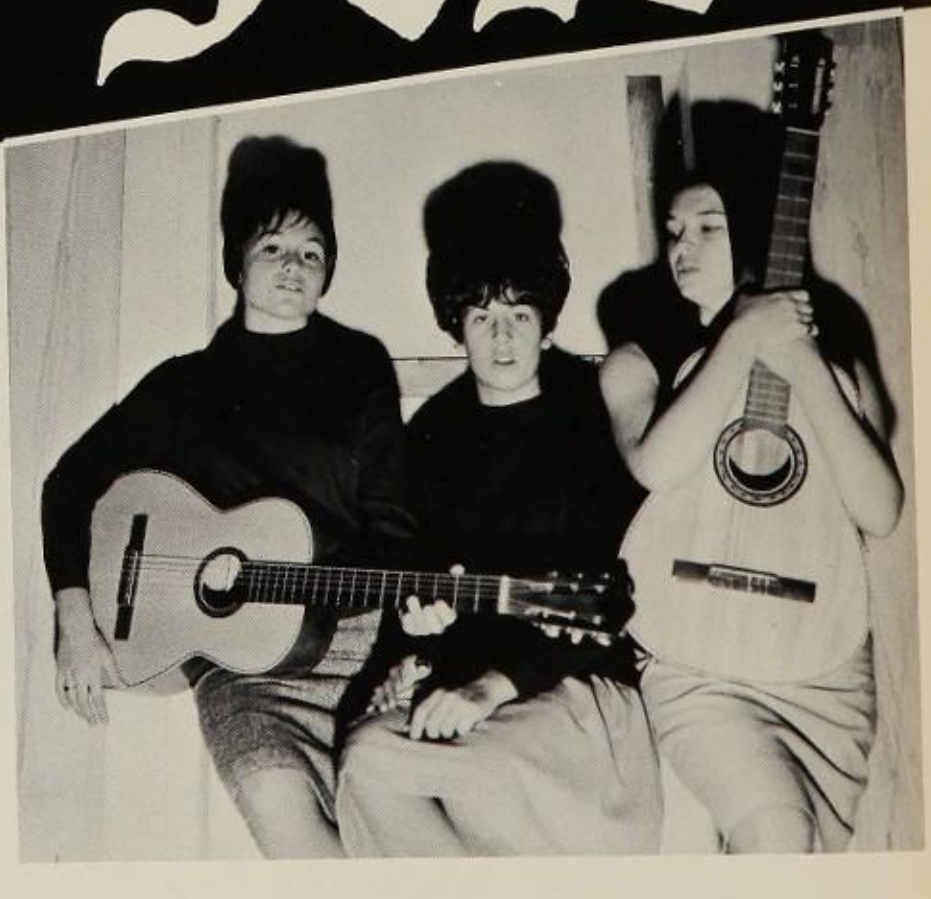
DEDICATION

The most significant event that transpired in the last year at Lennox for the Class of '64, was the assassination of the President of the United States of America, John Fitzgerald Kennedy. Realizing that he, along with the first lady, Jacqueline, tried to inspire in America a realization and a rebirth of the Fine Arts, for our long undeveloped sense of Art, Music, Drama and Literature, we dedicate our first Fine Arts section in the Lennox High School "Troubadour" to them in recognition of their interests in that field.



ol of Arts

From hamlet unheard of and heritage unsung
Fain would she flee to the fury of battle;
To lead her the legions was Lady Joan's call:
Vindicate France her voices did vow her.
Theophile, thane with trust of the nation,
With buckler and byrnie in onsaught most bitter
Stirred she and saved them in surges of battle.
Peace now she prized for the place of her birth
But victory once more the avengers did vie for.
So'rose she and rode she but refute she could not
Now weary yet wounded the British they took her,
Condemned her and cast her to channel of flames,
Yet gallantly gazed she past murderous fiends,
Viewed she those visions then death e'en with valor.

PUBLICATIONS

Though a newspaper may tend to be cut and dried as a rule, there are many aspects of its which we feel qualify it for this fine arts section.

The Lance Staff is in the process of creating all the time. It is a fine art in itself to be able to communicate with people. They have shown their ability in previous issues with their coverage of events.

We hope that in the future they will be able to continue their outstanding work of creative writing.

CREATIVITY THROUGH THE VISUAL ARTS

PILLOW TALK

Startled from sleep at midnight I found myself hurtling across the bedroom, finally to land in a heap on the floor. As I was lying there collecting my thoughts, I was viciously kicked in the side. Seized by panic in the dark recesses of the room, I frantically tried to find somewhere to hide. As I was grasped by some unknown power I was stuffed into a closet.

Morning came as I was slowly gaining consciousness. I had a dizzy floating feeling and looking around I saw what seemed to be the inside of a tub of water with me being swished around inside. Drawn out of the tub I was hung by the thumbs on a rack that resembled a clothesline. Dripping wet as I was, the predicament was terrible, but soon the water evaporated and the sun was soon scorching the sense out of me.

As hands released by thumbs, I was lowered into a basket and soon fell into a welcomed sleep.

Awakening, I lay there in a huge basket which seemed to be a coffin. Jerked from it's interior, huge hands pounded my sides and bound me in a straight-jacket. Gasping for breath I was pitched on a bed and covers were drawn up over me.

These actions led me to think I was dead, but I could think, so I was at least half alive.

When darkness came I had a feeling of being alone and deserted. As the clock struck 9:30 a gigantic figure pounced on the bed and twisted me into the horriblest position I'd ever known. Clutching me the figure said, "Boy, this pillow sure is terribly lumpy."

Senior, Ron Radke's Illustration of N. Fenily's Prose.

A young stalk of golden corn is so beautiful to behold swaying in the breeze. It was very fragile and tender when it first broke through the crust of the earth, but everyday as the sun shines life-giving light upon it, the teacher stalk grows and strengthens against the hazards of living in the huge cornfield. In the same way a child is born and is a wonderful gift to look upon. An infant is so very delicate and tender when it first comes into the world, but as each day passes the child grows and matures until he becomes an adult in this big world he lives in.

The Foreign Student in America—An Opportunity for Friendship

Americans today are constantly on display to people from other countries who take every American action as an example of American life. Who are these people? What are they doing here? How can they be of benefit to us? And, likewise, how can we be of benefit to them?

These inquisitive people are foreign students. They may come to our country to study, but much more than scheduled learning is assimiliated. These students cannot help absorbing American traditions, ways of life, and most of all—her people. This being so, they must be made to feel wanted. But how can they have this feeling if the American people refuse, whether consciously or unconsciously, to extend the elementary quality needed for understanding and good will? What is this quality? Friendship. We have to take time out of our busy lives and cultivate friendship.

Friendship is a bond which unites all peoples. By befriending foreign students we can not only enlighten our outlook on different cultures, but we can develop empathy with those of our own age. When we realize that people the world over share our problems, it makes it easier to understand how much like us they are, regardless of their geographic roots. The foreign student, often with a distorted picture of America and her people, can, through the bonds of friendship, be made to distinguish truth from propaganda. Young minds are very impressionable. But we want to give these minds something more than an impression. We want to instill in them an accurate knowledge of the America that exists today. Such knowledge seldom crosses our world's oceans. Americans at home are recognized as one of the friendliest of people. We can appreciate, then, the opportunity we have to cement this bond of friendship.

In our day when we cannot open a newspaper without reading of international ill feelings, we have the rudiments of a generation who understands—who are friends—with those who might one day be leaders of their homelands. It behooves us, therefore, to be ever-alert to the opportunity the foreign student in America offers—the opportunity for friendship.

Awakening—Kathleene Denson, 10th grade

I, a lass of tender years, was pushed into a world of fears.
A world of somber solitude, of death, of torture to the soul.
While the Earth revolves around me, I watch the sorrow and debris,
The fortune lost, the love denied, The ever unreached goal.
Among this myriad of scenes, the spirit plays the vital role;
The hope of every living soul.

These dashing young athletes set as a pre-requisite for joining their service organization, outstanding athletic achievement. They have in the past year given outstanding service to the school through participation in various school activities. The Troubadour Staff is proud to present them with the "CLUB - OF - THE - YEAR AWARD"

Among those activities undertaken by this active organization is the promotion of a new fine arts standard at Lennox. As an example is the construction and sponsorship of Lennox High School's first fine arts festival this year, produced through the collaborated efforts of the Art Club, Drama and Music departments. Another activity are the numerous field trips to art exhibits at museums and galleries. The club also sponsors Art films and folk music concerts. One only need to walk into room 4-4 during any noon period to see these busy Rembrandts hard at work enjoying the rewards of sharing aesthetic experiences. Coach Bill Calder leads his basketball men to a relatively unsuccessful season with only one win and nine losses. The team due to the lack of experience and scoring ability applied themselves well to the situations at hand and fought hard to gain recognition for their hard practice sessions and honest intentions.

BASKETBALL GAMES

The Varsity cheering section—
Mr. Gerald Smith.

Hey—Where's the ball?

Lancers against the Eagles.

Eagles await with awe.

All they can do now is wait for the ball to come down.

Although the Lancers compiled a better record than previous teams have shown (8-15), they had a disappointing season. They dropped 7 of ten league games, five of them by less than ten points. Some of the cagers better games were a 76-51 route of second place El Segundo and a 58-52 victory over Palos Verdes. In the former game the school scoring record was broken. The old mark of 66 was bettered four times this season. Coach Armstrong has 5 lettermen returning for next year and hopes to move up in the league.

Rod Finch lays one up.

Think I'll sit this one out.

The big Waltze

As the climax to Spring Sports Week at Lennox High during the week of March 9-13, 1964, the Juniors held the spotlight again as they presented to the students and faculty of Lennox, the Spring Sports Dance; "Midnight Magic". Although held on Friday the thirteenth, it was by no means a "Black Friday". The Dynamics, a band composed of Lennox students played for the event and were overwhelmingly popular. Although the music was very good there was a greater event that those attending the dance were awaiting. This was the coronation of the Spring Sports Queen and her Court. Those long awaited moments came and the winners were announced. Geri Simonek was our Spring Sports Queen, while her attendants were; Patti DeSantis, baseball princess; Sheila Pastors, Tennis princess; and Star McCartney, Track princess. The Juniors did a wonderful job on the decorations, refreshments and handling of the coronation.

Patti gets baseball princess.

Sheila wins as Tennis princess.

Varsity Baseball

The Varsity baseball team has shown great promise to do well in league this year. The "rookie" coach, Dan Karella, has put a lot of spirit and drive into the team. Stand-outs on this years team are: seniors, Jerry Bowles (lf), Jerry Keith (SS). Juniors are Scotty Morgan (rf) and Bob Harvey (lb). This should prove to be the best team in Lancer history.

Second Row—Mel Stutzman, Joe Stutzman, Ron Rocky, Robert Roderiquiz, Joe Rossie, Mike Purcell, Mike Rossie, Tom Fillmore, Ron Butler, Bill Gundaker, Ray Steen.

Tennis continued it's up swing at Lennox High for the second year in a row, under Coach Dan Finnegan. With the team being dominated by Juniors, lead by Frank Husges, it was a bit shy on experience, but high on devotion. The top men were Frank Husges, Eddy Gould, Jack Crum, Mike Purcell, and Gene Holt. All these men are Juniors. This year the racketmen ran into tough competition in their practice meets, as they played some of the best teams in C.I.F. competition, to gain experience. They faired well in Pioneer League play.

The Lancer Track Team did not enjoy the success of previous seasons this year. They possess only one victory, El Segundo, in the varsity division. Frank Ruotolo broke the high jump record with a jump of 6 ft. Larry Schelhorse threw the shot put 48' 2½" and Don Spillers is the leading man in the sprints. Ken Rocky, who holds the school record for the mile, is improving with every meet. Bob Lefler and Ron Hoffman did well in the hurdles, but the Lancer sprinters never won a meet.

The B's best performers were Richard Garcia in the hurdles and high jump, Larry Leair in the shot put, and Tom Price in the 660.

The C's best point makers are Richard Meers, Bryan Fletcher, and John Guiterrez.

WHEN PATRONIZING
OUR ADS MENTION
THE TROUBADOUR

a special dedication

JOHN FITZGERALD KENNEDY—Our 35th President—1917-1963
Inaugural Address January 20, 1961

My fellow citizens:

We observe today not a victory of party but a celebration of freedom—symbolizing an end as well as a beginning—signifying renewal as well as change. For I have sworn before you and Almighty God the same solemn oath our forebears prescribed nearly a century and three quarters ago.

The world is very different now. For man holds in his mortal hands the power to abolish all forms of human poverty and all forms of human life. And yet the same revolutionary beliefs for which our forebears fought are still at issue around the globe—the belief that the rights of man come not from the generosity of the state but from the hand of God.

We dare not forget today that we are the heirs of that first revolution. Let the word go forth from this time and place, to friend and foe alike, that the torch has been passed to a new generation of Americans—born in this century, tempered by war, disciplined by a hard and bitter peace, proud of our ancient heritage—and unwilling to witness or permit the slow undoing of those human rights to which this nation has always been committed, and to which we are committed today at home and around the world.

Let every nation know, whether it wishes us well or ill, that we shall pay any price, bear any burden, meet any hardship, support any friend, oppose any foe to assure the survival and the success of liberty.

THIS MUCH WE PLEDGE—AND MORE . . .

The torch has been passed to a new generation of Americans . . .

Ask not what your country can do for you, but what you can do for your country . . .
